

## Direction to Clinical Research Facility via Hospital Main Entrance

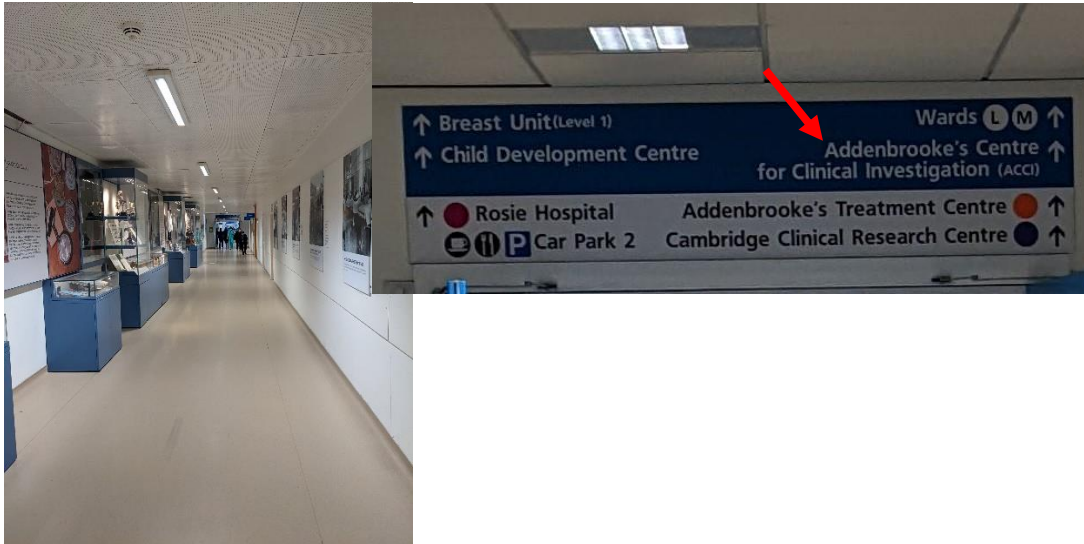

Once you entered the hospital via the main entrance, turn right (into the concourse). Follow the sign “All wards & departments”.

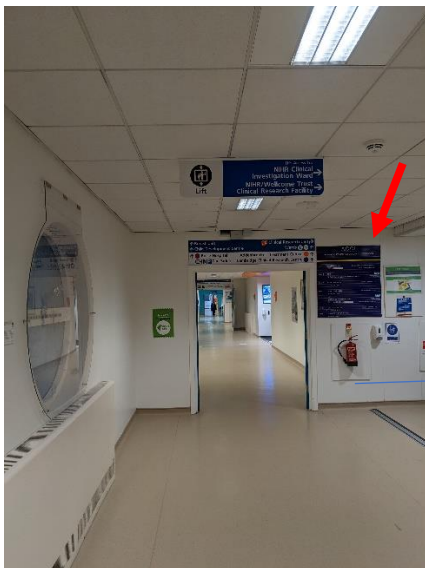

Once you entered the concourse, turn immediately left and walk towards the set of doors straight ahead (passing the Body Shop on your left).

Walk through the set of doors and **turn immediately right** and start walking down the long corridor. Follow the signs towards the “**Addenbrooke’s Centre for Clinical Investigation (ACCI)**”.

Walk along the corridor until you see the purple ACCI sign and a set of lifts (lift 49 & 50) on your right hand side.

**LEVEL 3**

Take the lift up to **LEVEL 3** and ring the buzzer for reception where you will be met by a member of the research team.
